- American Band Music_____
- A Little of All Types_____

Will the Band announce the musical sequence or will an announcer provide such announcement? Band_____ Announcer_____

Donation \$_____

The Comal Community Band requires some basic things in order to give a quality performance. The Band will require approximately 50 chairs located at the performance site. We cannot perform in inclement weather - rain will ruin the instruments. A cover should be provided or indoor performance should be planned if inclement weather occurs. An electrical outlet should be available for our PA system. If location of concert presents a parking problem where instruments must be carried a great distance, arrangements must be made to transport the equipment from the parking area to the concert location.

The Band needs a 60-day notification prior to the performance.

We need a contact person to coordinate the performance with the Band.

Name_____Address_____

E-Mail_____Phone_____

PLEASE SEND THIS FORM TO THE BAND PRESIDENT AT: Comal Community Band, ATTN: Band President, 301 Main Plaza, Box 226, New Braunfels, TX 78130
